

The Ray of Sunshine endowment began in 1998 when a local anonymous family partnered with Pathways Community Mental Health with the goal of helping enrich the lives of local adults with mental illness. Through this family's generosity and additional contributions from the community, this endowment has been able to provide grant awards to over 200 individuals. These awards are distributed to those who do not have the resources to pay for 'extra' items on their own such as dinner and a movie, fishing equipment, money to purchase craft supplies, etc.

It has been through the generosity of local citizens and businesses that this endowment has continued to grow. Unfortunately, this year the requests for awards exceeded the funds available. Purchase of this cookbook, is a way to help promote this endowment, so that more can enjoy the smaller things in life.

With the purchase of this cookbook, you are truly providing a "ray of sunshine" for someone who needs it.

On behalf of the Ray of Sunshine Committee and Pathways Community Mental Health, thank you.
